Accommodation

Residential

St John's University, New York

Course Overview

Experience life at one of New York City's leading traditional universities, blending suburban tranquillity with urban excitement. The 102-acre campus is located in the residential area of Queens – one of the five boroughs that make up New York City. Our summer vacation courses at SJU offer students the chance to improve their English language skills and at the same time experience the diversity and energy of New York City.

Who is this course suitable for?

International students who wish to have a taste of life in a New York university campus, and who are motivated to improve their English and experience the energy of New York. The course offers a mix of English language learning, social opportunities with other international students, and a rich activity and excursion programme with visits in and around America's largest, most dynamic city.
