Testimonials

“I have nothing but wonderful things to say about Oxford Spires and their programmes. I was there just recently with a group of students on their UK School Integration Programme – my students were completely satisfied and thrilled about the experience. I truly like the experience because it can be tailored to students’ needs. The staff at Oxford Spires are amazing!”

“The accommodation is fantastic! I had such a good time with my English family. I really enjoyed the food – especially the breakfast!”

“I loved the classes! I learned a lot in a short time and I found the love for study again. My teacher was very good. He speaks and explains in a very clear way. Also I think my teacher is very funny. I am really glad to be with my host family! They’re really nice and very kind. I loved the food too.”
