

# Academic Learning

**With the correct education plan and academic support, there is no limit to the success that each individual can enjoy.**

We believe that each student has the ability to excel and flourish.

Our *Spires Online* Academic Learning experiences include personalised education plans, tutoring, assessment and continued review to ensure that progress is achieved in almost every academic subject area.

Through professional tutoring and support, delivered by experienced tutors, students will be matched according to their subject area, age, learning style and individual preference.

## Suggested Tutoring Focus:

- **School Yrs 5-6 (Ages 10-11 years)**  
Stay on track and up to speed with regular English and Maths with a focus on 11+ preparation.
- **School Years 7-8 (Ages 12-13 years)**  
Maintain momentum in core subjects as well as developing organisation, motivation, wider academic skills and engagement.
- **School Years 9-10 (Ages 14-15 years)**  
Build on existing strengths and take the opportunity to get ahead of the competition in the key years before Yr 11 and the final GCSE assessment year.
- **School Year 11 (Aged 16 years)**  
Get ahead in the crucial period between GCSEs and A level. This will place students in a strong position in securing positive predicted grades for university applications.
- **School Year 12 (Aged 17 years)**  
Make progress on A-Level / IB subjects to optimise performance and enhance University prospects.
- **School Year 13 (Aged 18 years)**  
An opportunity to remain academically engaged by focussing specifically on the subject area of the chosen university course.

## Programmes also available for:

- **ISEB Common Pre-Test Preparation**
- **11+ and 13+ Common Entrance**
- **Schools Specific Preparation Courses**
- **GCSE and IGCSE**
- **AS/A-Level**
