

English Language Learning

Classes for either a week or an hour, our Spires Online English Language Learning classes offer maximum flexibility.

Our students now have the flexibility to Improve English either, on the move or from the comfort of their own home

Online tuition has emerged in recent years as a rapidly growing method of learning and educational support. The desire of students to receive the finest academic support possible, with enhanced flexibility and convenience, has fuelled this increasingly popular choice.

Spires Online believe that online learning is an exceptional method of delivery for all elements of the education process. We can now offer online delivery for a range of learning experiences and programmes.

Benefits include:

- Enhanced timetabling flexibility
- Flexibility of progression
- The rapid transfer of information via the latest methods of electronic communication
- The ability to overcome the challenges of time and space by working across time zones and International boundaries
