Course Overview

Our popular ministay programmes are tailored to suit the needs and requirements of your group. Ministay programmes generally include up to 15 hours of General English tuition, alongside a vibrant and varied social programme.

Previous ministay social programmes have included visits to Blenheim Palace, local museums, Oxford University colleges and the Warner Brothers Studios, in addition to excursions to London, Cambridge, Bath and more. It is also possible to add a theme to your ministay programme, such as Harry Potter, University and English Literature.

Who is this course suitable for?

Our ministay programmes are suitable for school groups of any English ability who wish to experience the UK and further their language learning. Because they are tailor-made to suit each group's specific requirements, they also adapt to a wide range of budgets.

Our university themed programmes are particularly suitable for older students interested in or considering studying in the UK in the future, whilst our General English programmes are especially motivating for school groups who are looking to encourage their students in their language studies.
