### Course Overview

This programme has been specifically designed for young learners, for whom this may be their first experience abroad. Our carefully planned lessons are based on a communicative approach, with our syllabus and methodology.

The activity programme makes use of the school's stunning 70 acre campus leading to the Cherwell River and extensive sports facilities, including: indoor swimming pool, outdoor sports facilities, sports hall, pavilion, art room, climbing wall, theatre and an adventure playground!

### Who is this course suitable for?

This programme is ideal for young learners embarking on their English language journey. The closed, secure campus atmosphere provides an ideal setting for junior students to experience a British boarding school-style programme, and have fun learning English and exploring British culture.

Summer Fields is regarded as one of the main feeder schools for Eton, with the school excelling across the board in in sport, music, art and academics. Sport and music are particularly well represented at Summer Fields and musically, the chapel choir is known as one of the best non-cathedral school choirs in the country!
